<TEXT>Dear FCC

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

I am a senior citizen who uses her phone rarely. I am not among those who wander the streets and other public places jabbering on their cell phones.

I use my wireless phone for safety and security. I don't want to lose these benefits so that big businesses can pay less than their fair share. I urge you to reject the proposal to move the USF collection system to a flat-fee. Keep the USF Fair!

Sincerely, Jane McLean 4 Poplar Ave. Apt. 5, wheeling, WV 26003

Sincerely,
